

Fast-track CECRA Train the Trainer Training

May, 17 – 21, 2021, Dublin

Course Description and Application Form

About CECRA

CECRA is a modular training programme on methodological basics in advisory work, open for advisors. The program concludes with a certificate. The "Certificate for European Consultants in Rural Areas" (CECRA) is the first European competence development program with an international certificate meeting the rising demand for advisor method training. The networks IALB and EUFRAS (and the organizations represented in the networks) are the providers of the CECRA Certification, which includes Teagasc.

Benefits

The participants of this Fast-track TTT Program will be enabled to independently carry out the two compulsory CECRA modules, as well as some of the elective modules in a participant-oriented and effective way. They get to know the CECRA certification system. With this, the foundation for a certification of consultants according to CECRA standards are laid. An outlook will be given on the training of innovation support methods (CECRA Module 16) and the EU project i2connect.
